

Sr. Frontend Engineer (m/f) - Web

Location **Berlin, Germany** *Type* **Full Time**

Overview

GladBills is looking for frontend engineers who would like to work on ground breaking products and embrace new design and interaction paradigms.

You will be working with a motivated, supportive and enthusiastic team and develop highly interactive cloud applications for web and mobile devices.

If you

- have a passion for developing great interfaces and interaction workflows*
- know how to implement rich and interactive interfaces for web and mobile devices*
- have zero tolerance for things that could be optimized or handled more efficiently*

we would love to get to know you and give you more insight into GladBills and the opportunities we offer.

Responsibilities

- implement frontend designs for web and mobile apps*
- closely collaborate with the entire team in order to integrate frontend designs*
- maintain styleguides and frontend code base*
- take part in developing the future of GladBills by bringing in your personal knowledge, ideas and abilities*

Experience

- strong English or strong German and good English communication skills*
- Bachelor Degree in Computer Science OR other relevant experience*
- several years of practice in front-end development with HTML, CSS and JS*
- practice with JADE, LESS, SASS is a significant plus*

Requirements

- ability to quickly learn and apply new ideas*
- expert knowledge in frontend engineering*
- experience in in UI / UX design is a plus*
- experience in iOS development is a plus*

Compensation

- *work with highly motivated and engaged founders, and a supportive and pragmatic team*
 - *Creative and professionally equipped work space with electric standing desks, large meeting spaces and much more*
 - *State of the art work equipment such as Apple MacBook Pro, Cinema Display, iPhone and more*
 - *opportunity to engage with promising start up early on and to work on cutting edge products used by millions of users worldwide*
-
